Realtors

Mission and Vision

- Having being leading in the residential and commercial real estate market of Andheri - Juhu – Bandra, we look forward to our company providing all the necessary support and guidance from start to finish during the property search and beyond, all over Mumbai.
- Apart from complete customer satisfaction, we believe in a stress free process in the buying, selling and renting of properties.

Services

At JV Realtors, we provide End to End services concerning all the real estate procedures. Our services include:

- Shortlisting properties / Finding the right tenant or buyer – We help shortlist the perfect property for our clients after getting a proper understanding about their requirement to buy or lease a property. The same goes with the landlords where we assist them find the suitable tenant or buyer for their property.
- Inspection of properties – After going through the process of shortlisting properties, we assist our clients in inspecting the property for them to get an understanding of the property and the locality.

- Negotiation – Once our client finalizes on a suitable property to buy or lease, we further assist them with the negotiations process. Or if a client shows interest in one of the property we represent, we assist the landowner of the property get the right amount and the tenant or buyer for his/her property.
- Legal Procedures - We do advise our clients with all the legal formalities and procedures required with their real estate requirement. From property document verification to the registration and the police verification process, we believe in shadowing our client through it all.
